

Service fee - Canoeing Östra Göinge

In order to offer good campsites with good service, the municipality of Östra Göinge will charge a fee for all who paddle and use the canoeing service.

The service fee is currently SEK 50 per canoe and day.

The entire surplus from the service fee is used for the service available at the canoeing in Östra Göinge municipality, to make sure Immeln will still be a pleasant and attractive visitor destination with preserved natural values. The ambition is to build a greener, more sustainable and more coherent canoeing.

Questions about the service fee are answered by Östra Göinge Municipality, Culture and Leisure Unit. Phone: +4644-775 60 00, Mail: fritid@ostragoinge.se
